

EB Digestive (Item #1005)

High Potency, Natural, Plant-Derived Digestive Enhancement

Recommended Dosage: One Capsule with Each Meal

EB Digestive is a high potency combination of plant-derived digestive enzyme complexes with the addition of probiotics. The probiotics found in EB Digestive help your body to absorb more nutrients, strengthening your immune system and giving you more vitality. This superior combination of Enzymes also includes Tracite Fulvic Minerals, a proprietary blend of 77 trace minerals, which aid in enhancing your health potential.

How is EB Digestive different than Flora-Zymes?

EB Digestive was designed for individuals with severe cases of Poor Digestion, Bowel Troubles, Excessive Gas and those with other specific health concerns. While EB Digestive contains the same plant-derived digestive enzymes as Flora-Zymes, the Enzymes Bromelain and Papain are also included.

What are the plant derived enzyme complexes present in EB Digestive?

- 🍷 **Amylase:** aids in the digestion of starches.
- 🍷 **Protease:** aids in the digestion of proteins.
- 🍷 **Lipase:** aids in the digestion of fats.
- 🍷 **Cellulase:** aids in the digestion of fibers.
- 🍷 **Bromelain:** aids in the digestion of proteins and has been shown to reduce inflammation.
- 🍷 **Papain:** aids in the digestion of proteins and has soothing effects on the stomach.

What are Probiotics, Acidophilus, and Bifidus?

- 🍷 **Probiotics:** Friendly bacteria that inhibit the growth of harmful bacteria. Probiotics increase immune system health and promote healthy digestion.
- 🍷 **Acidophilus:** A strain of probiotic bacteria that promote intestinal health and protect against potentially harmful organisms.
- 🍷 **Bifidus:** A strain of probiotic bacteria that plays an important role in immune response. It promotes colon health and pH balance in the colon. Bifidus is found in human breast milk and can help prevent many digestive disorders.

How Should EB Digestive be taken?

The recommended dosage is one to two capsules with each meal. It may also be beneficial to take one or two capsules at bedtime, which is the best time for the bifidus to balance the pH of the colon.
